Who was Connor?

Connor Arthur Lynskey was an 18-year-old son, brother, grandson and friend who resided in Hinckley, New York with his family, attending pre-med studies at Siena College, when he was tragically killed by a drunk driver on August 11, 2018. Connor aspired to be a rural medical doctor, had been accepted into the Upstate Rural Medicine MD Program, and his dream was to practice medicine in an under-served area in order to help residents receive adequate health care.

Why is the event held?

All proceeds go to the scholarship and memorial fund created in memory of Connor. Our mission is to continue to provide students and medical students with a scholarship program, with your financial support and through our memorial run/walk in Connor's name. Due to the generosity of our friends and our community, along with the success of our previous Annual Run/Walks, this past year Connor's Way was able to continue awarding one scholarship at the Upstate Rural Medicine Program, eight scholarships for graduating seniors at Holland Patent Central School, and 17 scholarships for graduating seniors in high schools in Oneida and Herkimer counties.
